

Privacy policy for VideoMotionReducer app:

Identify what data, if any, the app/service collects, how it collects that data, and all uses of that data.

App does not collect data. It processes photos or videos that you select from your device and then stores the results to your device. There is no internet connection required when using the app.

Confirm that any third party with whom an app shares user data (in compliance with these Guidelines) — such as analytics tools, advertising networks and third party SDKs, as well as any parent, subsidiary or other related entities that will have access to user data — will provide the same or equal protection of user data as stated in the app’s privacy policy and required by these Guidelines.

The app does not share data with third parties.

Explain its data retention/deletion policies and describe how a user can revoke consent and/or request deletion of the user’s data.

Data is not retained.
